SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents

Washington, D.C. 20231

Sir:

In accordance with Rules 56, 97 and 98 of the Rules of Practice in Patent Cases, this Information Disclosure Statement provides citations relating to the captioned application. Applicant hereby requests the Examiner to review and make an independent evaluation of each listed citation.

There are 2 United States patent references, (5,607,426 and 5,876,402) which are listed on the attached PTO-1449 Form and copies of all citations listed are enclosed.

In addition to the accompanying citations, Applicant, and/or the undersigned attorney may have seen or considered other information relating to the subject invention; however,

it is their best present recollection and judgement that they have not seen or considered any such other information which is material to the examination and/or patentability of the captioned application.

This Information Disclosure Statement is being filed solely for the purpose of compliance with the above-identified rules and is not intended to be a substitute for either an independent evaluation of the cited information by the Examiner or an independent search by the Examiner and no representation of any nature is made or intended by this statement.

Respectfully submitted,
